

Archdiocesan Spelling Bee Information:

It's time again to prepare for the annual Archdiocesan Spelling Bee. This is the district wide competition for the Catholic schools of the Archdiocese of Oklahoma City.

Each grade level at CTK may send one contestant to compete. Contestants will compete in the following divisions at the Archdiocesan Spelling Bee:

1 - 2

3 - 4

5 - 6

7 - 8

To determine the contestants, spelling bees will be held in classrooms toward the end of January. Individual classroom teachers will determine the date of their spelling bee. (The Archdiocesan Bee is in April - specific information will be sent home to all contestants.)

Word lists may be printed off of the school website under the "forms" tab. Scroll down to the Misc. section and you can print the spelling bee words and another document explaining the rules and procedures. Your child will need to study the words for their division for the class bee. If they are going to attend the Archdiocesan spelling bee, they will need to study the words for the next division up as well.
