

Dear Parent:

We would like to introduce you to the excellent education which Christ the King Catholic School offers children from kindergarten through eighth grade. The school provides a strong spiritual atmosphere dedicated to the formation of the whole child. Centered upon the teachings of Jesus Christ, and dedicated to providing a rigorous academic program, varied extracurricular activities and service to the community, Christ the King Catholic School is committed to not only fostering young people of conscience and character but also civic minded, productive citizens.

We invite you to visit Christ the King Catholic School to meet our dedicated faculty, see our wonderful physical facilities and learn more about our outstanding academics and activities. Our highly qualified teachers and administrators work closely with students and parents to help students achieve their full potential.

We are proud of our school facilities and community. The science lab, computer lab, art room and music room, as well as our individual classrooms offer an atmosphere steeped in Catholic tradition. While our facilities recently have been expanded and renovated, we have continued our long-standing tradition of strong parental involvement and a family atmosphere at the school. Christ the King Catholic School provides a safe, nurturing environment for your child.

Please contact me, Karen Carter, at 843-3909 with any questions you may have. We would be happy to arrange a tour of our school for you. You also may visit our website at www.ckschool.com for more information. We strongly urge you to consider Christ the King Catholic School for your family's educational needs.

Sincerely,

Karen Carter,
Principal
Christ the King Catholic School
