** Non Fiction Book Recommendations**

To find a book, go to www.arbookfinder.com

Please read at least 8 books with 2 being a chapter book.
Record them on the reading log.

Choose your favorite book from your list to make a diorama (shoebox project).

The project should be creative and colorful and will depict a favorite scene of the book of your choice.

Prepare to discuss the main characters and the plot of the story.

Bring everything with you on Meet the Teacher so it will be ready to present to the class the first week of school.

Summer Math

Your child should have mastered all the addition and subtraction facts in 1st grade. Please make sure to practice these during the summer, so that the skills are not forgotten.

This is very important and must be known to be successful in 2nd grade math.

Attached you will find addition and subtraction practice worksheets OR

visit www.math-drills.com for more practice worksheets to challenge your child.

Have a great summer!
